

FOOT CARE

Mini Pedicure

We pamper your feet with a whirlpool soak, shape your toenails, moisturize your feet and finish with the lacquer of your choice.

Spa Pedicure

Our signature pedicure. Your feet will be treated like royalty. You will start with a whirlpool soak, toenails shaped and cuticles conditioned. Next, an aromatic exfoliating scrub to remove rough, dry skin followed by a moisturizing mud mask. Your feet will be treated to a massage with softening lotion and nails will be finished with a lacquer of your choice.
